

Hello Parents, Youth, And Wonderful Friends,

I am so excited to announce that this summer we will be attending Assembly 2025! This is the first year in a long time we will be able to attend Assembly together and I hope our students are able to attend and love this opportunity! I hope this email brings you all of the information you will need to know for registering your student for this trip!

Here we go:

What: Assembly 2025 Assembly is more than just an event—it's a week of meaningful worship, real connections, and a deeper encounter with God. Through small groups, engaging sessions, and powerful worship, Assembly creates a space where friendships grow, faith is strengthened, and lives are transformed. Each day is an opportunity to be encouraged, challenged, and inspired alongside a community that feels like family. This isn't just about attending; it's about fully experiencing worship, stepping away from distractions, and immersing yourself in God's love. Be part of something bigger. Join us at Assembly and take a step closer to who you were created to be. #Assembly2025

Registration Deadline: Payment and paperwork are due **WEDNESDAY MAY 21st**

FAQ's:

Payment?: Payment for the conference is \$100. This can be made to the church via check or online payment. If you are paying by check please make it out to the church with Assembly and your student's name in the memo line. If you choose to give online please do so with the give tab, mark it as a designated fund and then put Assembly and your student's name in the giving memo/notes online. If you submit your payment online please mark on your informational form that it is how you paid.

Scholarships?: Scholarships for the registration cost are available, please mark that on your registration forms or reach out to Kyra Anthony at kanthony@fumcmh.org.

Food?: Meals for the week during the conference will be provided through the Hendrix dining hall. One meal during travel will be provided by the church. The meal during travel on the way home from the conference will be paid for by students.

Money?: Your student will need money for lunch on Friday during travel back to Mountain Home. There will also be a small shop for t-shirts and other swag through ACCYM and snacks in the evening as well as a pizza party opportunity during the week. Students can bring money or a card for this store, but they will be responsible for holding on to their money. They will also be responsible for having money for lunch at the end of the week.

Schedule?: The official schedule has not yet come out, but the plan will roughly look like meeting between 12:00-1:00pm Monday, July 14th, to load up and head to Conway for check-in and activities Monday evening. We will then participate in activities all week. Friday we will get up to pack up and have last activities for the week. We then will share lunch together and return to Mountain Home Friday, July 18th, in the afternoon. Exact travel times will be communicated both closer to the trip and while we are traveling. Pickup and drop off for this event will be at FUMC.

Adult Sponsors?: I am still looking for adult sponsors to attend this event with us. If you would be interested in joining us please reach out to me. Or if you know of someone that would be interested and good for sponsoring with us let me know. Each adult will need to be safe gatherings certified so we should take care of that soon. Adult sponsors registration cost will be covered by the church.

Any other questions: There may be something that I have missed and for that I apologize, please do not hesitate to reach out and ask me about anything that you need to know. Just shoot me an email or call up to the church office and I will be happy to answer any other questions you may have.
